The Canadian Way - Ipperwash

The Residents of Ipperwash have done the following:

1. Believed the Ontario Government would help them
2. Believed the Federal Government would help them
3. Believed the O.P.P. would protect them
4. Believed that Negotiations just needed more time
5. Believed that waiting would resolve the situation
6. Believed Canadians wouldn't forget them
7. Believed the Media would hold the Government to account

8. Then they woke up
9. And found they had no Voice
10. Canadians had forgotten, their Government failed them
11. O.P.P. Two Tier Justice is alive and well 12 years later

Government offers Ipperwash settlement

Last Updated: Friday, November 13, 1998 - CBC News

On Thursday, Ottawa will sign a deal worth \$26 million.

It allows for the land, now an abandoned military base, to be returned to the native bands.

As well, every band member will receive between \$150,000 and \$400,000 in compensation.

Canadians Helping Canadians in a time of need:

Comments that have been made to me:

- "Outsiders" are not Welcomed
- "Take your Marches somewhere else
- You are Creating Tension
- What is the Greatest Stumbling Block

Outsiders are not Welcomed

Martin Luther King Jr., replied:

"I cannot sit idly by in Atlanta and not be concerned about what happens in Birmingham. Injustice anywhere is a threat to justice everywhere. We are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly. Never again can we afford to live with the narrow, provincial "outside agitator" idea. Anyone who lives inside the United States can never be considered an outsider anywhere within its bounds."

Take your March Somewhere Else

Martin Luther King Jr., replied:

“I think I should indicate why I am here In Birmingham, basically, I am in Birmingham because injustice is here.”

You are Creating Tension

Martin Luther King Jr., replied:

“Actually, we who engage in non-violent direct action are not the creators of tension. We merely bring to the surface the hidden tension that is already alive. We bring it out in the open, where it can be seen and dealt with.”

“In your statement you assert that our actions, even though peaceful, must be condemned because they precipitate violence. But is this a logical assertion? Isn't this like condemning a robbed man because his possession of money precipitated the evil act of robbery?”

“Society must protect the robbed and punish the robber.”

What is the Greatest stumbling block?

Martin Luther King Jr., replied:

"I have almost reached the regrettable conclusion that the Negro's great stumbling block in his stride toward freedom is not the White Citizen's Councilor or the Ku Klux Klanner, but the white moderate, who is more devoted to "order" than to justice; who prefers a negative peace which is the absence of tension to a positive peace which is the presence of justice; who constantly says: "I agree with you in the goal you seek, but I cannot agree with your methods of direct action"... Shallow understanding from people of good will is more frustrating than absolute misunderstanding from people of ill will. Lukewarm acceptance is much more bewildering than outright rejection."

What has been accomplished?

Win the Media – before my site

1. Oka & Ipperwash has taught Native Protesters a lot
2. Native Protesters are Media Savvy:
 - Spokespeople were Women
 - This is a Peaceful Protest
 - The Government has delayed Land Claims for years
 - Play the Victim quite well – 200 years of abuses
 - The Government has delayed land claims for years
3. **Media focus was on Land Claims**

What has been accomplished?

Win the Media – after my site

1. Media Focus is now on Two Tier Justice
2. Native Protesters are rarely interviewed
3. The 'New' Protesters (residents) are Peaceful
4. The Battle now is between the OPP & Residents
 - ▶ The Focus is not against the Natives
 - ▶ The Focus is not against Land Claims
5. Caledonia & Ipperwash are linked together
6. The 'New' Victims are now the Residents
 - **Victims of OPP Two Tier Justice**

**I have taken the Battle directly to the Government –
Something the Native Protesters Claimed they were doing.**

What has been accomplished?

OPP is continuously on the defensive

1. Media is repeatedly asking questions
2. Fantino is doing radio, newspaper and TV interviews
3. Clearly Fantino has no answers – he whines
4. OPP Press Release attacking people's characters
5. We have Justice on our side:
 - The Constitution
 - Supreme Court Ruling
 - Charter of Rights & Freedoms
 - OPP Oath of Office

**I have taken the Battle directly to the Government –
Something the Native Protesters Claimed they were doing.**

Raising the Canadian Flag

A Brief History

1. Dec. 2, about 30 residents decided to raise the Canadian Flag along with Yellow Ribbons to honour our troops.
2. One resident was arrested and released approx. 2 hours later
3. OPP lied, claiming the local Church asked them to arrest the resident for trespassing.
4. OPP did Press Release calling residents "juvenile" who are "self-serving individuals" who are "ramping up tensions in the Community" and are putting "community at risk".
5. I played no role in the planning or carrying out of this event.
6. Those who planned this had a Brilliant idea.

OPP Two Tier Justice

OPP disobeys Supreme Court of Canada

In 1993, *Ramsden v. City of Peterborough*, the Court ruled that placing objects on Hydro Poles was a Right guaranteed under the Charter of Rights & Freedoms.

The courts agreed with the argument that stopping someone from placing objects on Hydro Poles infringes on a person's guaranteed Freedom of Expression under s. 2(b) of the Charter.

The OPP is Violating our Charter of Rights by trying to stop us from Raising the Canadian Flag.
