

# PUBLIC ALERT

## Jeffrey HenHawk

Arrested for Assault  
20Apr06

According to OPP records issued in April 2006, Mr. HenHawk has been driving under a suspended license since 1997. Mr. HenHawk runs an illegal smoke shop on #6 highway and has been seen driving in Caledonia weekly. He is commonly seen at the Tim Hortons by Canadian Tire in Caledonia.

If you see this person driving then please note time, location, license plate # and report it to the OPP and to [info@CaledoniaWakeUpCall.com](mailto:info@CaledoniaWakeUpCall.com) immediately.

The public should be aware that if Mr. HenHawk causes an accident there will most likely be no insurance coverage.

Commissioner Fantino has publicly claimed to be a Law & Order person who enforces Highway Safety so I am sure Mr. Fantino would equally encourage public support to help identify those who drive illegally.
